

# Goodbye Suicide

Nicky Wire

Goodbye suicide  
Wipe the tears down from your eyes  
Take my hand  
Hold back pride - goodbye suicide

Goodbye suicide  
Not for real but for this life  
Au-revoir  
Auf-wiedersein - goodbye suicide

Goodbye suicide  
Never thought I'd tell a lie  
See you later  
Sianara- goodbye suicide

Goodbye suicide  
Beautiful to be so kind  
Forever been  
But never seen - goodbye suicide

If the ending fits the words  
If you struggle to be heard  
You can only try so hard  
You can only try so fucking hard

So goodbye suicide  
Innocence is not a crime  
Hold back fear  
Don't let it near - goodbye suicide
