

## Somewhere There's a Feather

Nico

Love and learn  
Take your turn  
Somewhere there's a feather  
Falling slowly from the sky  
You need not know the reason why.

Stand apart  
Hear your heart  
Someday there will be  
Another lover till the end  
You need not hold your breath till then.  
Don't ask me to explain to you  
There's nothing to remain but what we see.

Fall and climb  
Take your time  
Somehow you must live up  
To the precedents you've set  
You need not hope for answers yet.  
Don't ask me how I know it now  
The future does not show itself to me.

So love and learn  
Take your turn  
Somewhere there's a feather  
Falling slowly from the sky  
You need not know the reason why.
