

# Olorun

Nicole C. Mullen

(English, then repeated in Yoruba)  
Oh God who created mountains of those days  
Only You we give all our praise  
Olorun t'o da awon Oke Igbani  
Eyin ni mo fo Ope me fun

T'ani N'wo tun gbe ga O  
(Who else must be lifted up)  
Bi Ko se Baba l'oke?  
(If not You our Father?)  
Tani N'wo tun fi gbogbo okpe mi fun  
(Who then must be given all my praise)  
It is You who created mountains of those days  
Only You we give all of our praise

(Yoruba, then repeated in English)  
Olorun t'o da awon Okpe Igbani  
Eyin ni mo fo Ope me fun  
Oh God who created mountains of those days  
Only You we give all of our praise

(English, then repeated in Yoruba)  
Who then must be lifted up  
If not our heavenly Father?  
Who then must be given all of our praise  
T'ani N'wo tun gbe ga O  
Bi Ko se Baba l'oke  
Tani N'wo tun fi gbogbo okpe mi fun  
It is You who created mountains of those days  
Only You we give all of our praise  
Eyin ni mo fo okpe me fun  
Only You we give all of our praise
