

# Baby, Don't You Do It

Nicolette Larson

Baby don't you do it, don't do it  
Don't you break my heart  
Pleeease don't do it, don't you break my heart

A sacrifice would make you happy if nothing for myself  
Now you wanna leave me for the love of someone else  
My pride is all gone whether I'm right or wrong  
I need you baby to keep on keepin' on

You know I'm trying to my best  
Oh I'm trying to do my best  
Don't do it, don't you break my heart  
Pleeease don't do it, don't you break my heart

My biggest mistake was loving you too much and letting you know  
Now you got me where you want me and you won't let me go  
If my heart was made of glass well then you'd surely see  
How much heartache and misery, girl, you've been causing me

While I've been trying to do my best  
Well I've tried to do my best  
Don't do it, don't you break my heart

Pleeease don't do it, don't you break my heart

Go down to the river and there I be  
I'm gonna jump in girl, but you don't care bout me  
Open up your eyes  
Can't ya see I love ya?  
Open up you heart, girl  
Can't ya see I need ya?

Oh baby don't do it, do it, do it  
Don't you break my heart  
Pleeease don't do it don't you break my heart

My biggest mistake was loving you too much and letting you know  
Now you got me where you want me and you won't let me go  
If my heart was made of glass well then you'd surely see  
How much heartache and misery, girl, you've been causing me

While I've been trying to do my best  
You know I've tried to do my best  
Don't do it, don't you break my heart  
Pleeease don't do it, don't you break my heart
