

# Ooo-Eee

Nicolette Larson

Ooh-eee  
I've been around the world a bit  
But you're the best thing I've seen yet, oh my  
Ooh-eee  
My love  
And if you want to take me on  
We might be at it until dawn, oh my  
Ooh-eee  
My love

Ooh-eee, ooh-eee  
My baby  
Ooh-eee  
My baby  
Ooh-eee  
My love

I just came by to let you know  
I'll never ever let you go  
Oh, my  
Ooh-eee  
My love

And if you ever, ever stray  
I know that that will be the day  
That I die  
Ooh-eee my love

Ooh-eee, ooh-eee  
My baby  
Ooh-eee  
My baby  
Ooh-eee  
My love

Hey baby  
I see where I've been  
And you know where I'm going  
Come on, boy  
My heart's on my sleeve  
And my love is showing

Ooh  
If you stay around  
I'm never ever gonna let you down  
Oh, oh, my  
Ooh-eee  
My love

Ooh-eee  
Ooh-eee  
My baby  
Ooh-eee  
My baby  
Ooh-eee  
My love

Ooh-eee  
Ooh-eee  
My baby  
Ooh-eee  
My baby  
Ooh-eee  
My baby

Ooh-eee  
My baby  
Ooh-eee  
My baby  
Ooh-eee  
My baby  
Ooh-eee  
My baby
