

# I Got The Runs

Nicotine

it was quite an event  
it was so sudden  
it happened in a book store  
i got the runs in my pants  
i'd gotta go to the laundry  
next door  
nasty smell came outta  
my underwear  
it was so bad i got the runs  
i was hard to stop but i tried  
to close my ass  
as tight as possible  
(explosion of door no.2)  
gas from my gash  
i gasp in the air  
i gotta go to restroom  
right away  
i got the runs
