## **Jimmy Is My Punk Ass Brother**

**Nicotine** 

My brother seems to go to school today A circumstantial account is put in the end Let me tell you one thing to explain My brother Jimmy takes a dose of pills

He says he wanna be unusual He watches pornos every day Day after day, he's fucked up There's something on the shoulders Tattoos! Ahhhhh

I wanna be like brother Jim
You know what I'm saying?
Don't you have any regrets?
You know what I mean?
I can't be just like a seventeen
You know what I'm saying?
Jimmy is my punk ass brother
You know what I mean?

My brother went to the titty bar tonight
(You know it?)
He doesn't care how much he did expend
cause my brother went to casino bar two nights
(Go to Las Vegas)
He drew the queen of hearts
and got bunch of bucks

He says, "You gotta be a punk rock!"
He shows me how to be the one
Day by day, I can grow up
There's something in my pocket
The key! Ahhhhh

I wanna be like brother Jim
You know what I'm saying
Don't you have any regrets
You know what I mean
I can't be just like a seventeen
You know what I'm saying
Jimmy is my punk ass brother
You know what I mean
