

# Time After Time

Nicotine

Lying in my bed I hear the clock tick  
And think of you  
Caught up in circles, confusion is nothing new  
Flashback warm nights  
Almost left behind  
Suitcase of memories  
Time after...

Sometimes you picture me  
I'm walking too far ahead  
You're calling to me I can't hear  
What you've said

Then you say go slow  
I fall behind  
The second hand unwinds

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

After my picture fades and darkness has turned to grey  
Watching through windows  
You're wondering if I'm okay  
Secrets stolen from deep inside  
The drum beats out of time

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

You say go slow  
I fall behind  
The second hand unwinds

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time

If you're lost you can look and you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time  
Time after time  
Time after time  
Time after time...
