

All the Works of Nature Which Adorn the World - Ad Astra

Nightwish

Look again at the dot
That's here
That's home

That's us
On it everyone you love
Everyone you know
Everyone you ever heard of
Every human being who ever was
Lived out their lives
Ye aggregate of our joy and suffering
Thousands of confident religions
Ideologies, and economic doctrines
Every hunter and forager
Every hero and coward
Every creator and destroyer of civilization
Every king and peasant
Every young couple in love
Every mother and father
Hopeful child
Inventor and explorer
Every teacher of morals
Every corrupt politician
Every "superstar"
Every 'supreme leader'
Every saint and sinner
In the history
Of our species lived there
On a mote of dust suspended n a sunbeam
That's here
That's home
That's us
