

Rainy day

Nightwork

Sometimes I'm full of sunshine,
sometimes there clouds in my mind.
When my heart is softly raining,
Could'nt sky be just the blue uooohooo.

You are good reason to cry,
one day I really find you then,
together we'll hate rainy days.

Sometimes I'm full of sunshine,
sometimes there clouds in my mind.
When my heart is softly raining,
Couldn't sky be just the blue uooohooo.

You are good reason to cry,
one day I really find you then,
together we'll beat rainy days.

Nowadays I'm full of sunshine,
There's no more clouds in my mind,
Tears are gone, you're such a darling.
When dream got became true uohooo.

I've lost my reason to cry,
Hiding from rain i found you and now,
together we love rainy days.
