

You Don't Have To Be The Sun

Nik Kershaw

You feel like you are
A face in the crowd
Just one of a million
You should be so proud
So happy to be
A shape in the sand
A drop in the ocean
And a tourist in Wonderland
Shed me a tear
Blow me a kiss
Show me some human stuff
With a heart beat here
A little bit of this
A little bit of that
We are all we are and

You don't have to be the Sun to shine on me
You don't have to be a Star to shine
You don't have to be the Sun to shine on me
Just the miracle you are

Enjoy yourself
And I will be falling under your spell
Ordinary and glad
Must be the real thing being happy with that
So happy to be
A shape in the sand
A drop in the ocean
And a tourist in Wonderland
Understand

You don't have to be the Sun to shine on me
You don't have to be a Star to shine
You don't have to be the Sun to shine on me
Just the miracle you are

Enjoy yourself
And I will be falling under your spell
So happy to be
A face in the crowd
Just one of a million
I really should be so proud
Shed me a tear
Blow me a kiss
Show me some human stuff
With a heart beat here
A little bit of this
A little bit of that
We are all we are and

You don't have to be the Sun to shine on me
You don't have to be a Star to shine
You don't have to be the Sun to shine on me
Just the miracle you are
