

# Never Wanna C U Again

Nikka Costa

The tap is off the well is dry  
Ain't no more tears In these eyes  
I loved you more than you'll ever know  
But I'm not trippin for one minute more

See now I see the forest for the trees  
And now I'm off my bruised knees  
No longer beggin for your love  
No longer put you before or above

Baby babe  
I never wanna c u again  
You played me for a fool again  
And now I don't care  
Baby babe  
I never wanna c u again  
You said you'd love me till the end  
But now I don't care

But here's the thing in retrospect  
I see it now the disrespect  
Sick of your words and alibis  
Sick of forgiveness sick of lies

You made me stop you made me go  
You made me love you more and more  
But now my hearts back from my sleeve  
So shut the door tight when you leave

You'll never get inside me now  
You'll never get inside me now
