## **Summertime Guys**

Oh yeah

Summer's comin' There're gonna drive us crazy Let's go!

When I saw him diving, Diving deep into the deep end I just had to ask my girlfriend Who he was She said I don't know his name But, he's been sweating you all day So maybe you should dive in With him, girl because

Summer's here, the radio is playin' All the songs we know There're gonna drive us crazy Ready set go!

Summertime guys School is out, the sun is shinin' Summertime guys I think I wanna make him mine Nothin' like the feelin' That you get inside Look him in the eyes Summertime guys

Saw him at the movies Yeah, he said he thought he knew me From the mall or maybe school, And he was hot Said there was a party On the beach at seven-thirty Would I like to meet him there? I said "Why not?"

I call my girls on the phone Said there's a party goin' on It's time to light this rocket Seven, six, five, four, three, two, one!

Summertime guys School is out, the sun is shinin' Summertime guys I think I wanna make him mine Nothin' like the feelin' That you get inside Look him in the eyes Summertime guys Summertime guys

Summer's here, radio is playin' All the songs we know There're gonna drive us crazy Ready set go!
