

# Sing For You

Nikki Flores

That I have quite the history  
I've been fighting for so long,  
And even though I'm optimistic, it's taken it's toll on me  
Well, this is my story  
And this is the last time I'm gonna tell it  
'Cause I don't wanna live with this anymore

I've been on this road for as long as I can remember  
Since 2005 in December  
I was a little girl with a big dream  
I didn't know where it would take me,  
But somebody told me that I'd be a star  
So I closed my eyes and I opened my heart  
But it hurt it me, deeply

Someone just give me a chance,  
I'd give everything that I have  
Saying all I wanna do, all I wanna do, all I wanna do is  
Sing for you  
All I wanna do, all I wanna do, all I wanna do is  
Sing for you

16 years old on a tour with my mother  
My dad was at home taking care of my brother  
They tried to stay strong, but it wasn't long  
'Till distance claimed their love  
And I walk around this place like I'm to blame  
And I can't figure out how to fix it  
But I really miss 'em

Someone just give me a chance,  
I'd give everything that I have  
Saying all I wanna do, all I wanna do, all I wanna do is  
Sing for you  
All I wanna do, all I wanna do, all I wanna do is  
Sing for you

A bird of great beauty,  
Fabled to live 600 years in the Arabian wilderness  
To burn itself on a funeral pyre,  
And to rise from it's ashes in the freshness of youth  
And live through another cycle of years  
Immortality,  
Reborn idealism, or hope  
The Phoenix

Someone just give me a chance,  
I'd give everything that I have  
Saying all I wanna do, all I wanna do, all I wanna do is  
Sing for you  
All I wanna do, all I wanna do, all I wanna do is  
Sing for you

All I wanna do  
All I wanna do  
All I wanna do is sing
