

Suffocate

Nikki Flores

i messed around, fell in love,
found myself in a delimma
from tha roses and clothes he'd bring me
i knew he wuz kinda clingy
and i kno u thinking u been waiting
for a love with a heart so tender
like a blanket in tha winter
with tha thought that it wud keep u warm

but i dnt feel covered
im feeling smothered
and then i shudder
like im under water

dnt wanna suffocate
baby baby let me breathe a minute
im giving u tha game, go win me
oh poor baby dnt suffocate
baby baby dnt b greedy
cover me, dnt hover me
no no dnt suffocate me
baby, no no dnt suffocate
baby, no no dnt suffocate me

i took tha gifts, i took tha clothes
fancy parties on my birthday
cudnt get up tha nut to refuse u
i dnt hav tha heart to use u
but tha more u tried to draw me in
felt like tha walls were closing in on me
i used to love tha way u'd hold me
i'd say dnt ever let me go

but i dnt feel covered
im feeling smothered
and then i shudder
like im under water

dnt wanna suffocate
baby baby let me breathe a minute
im giving u tha game, go win me
oh poor baby dnt suffocate
baby baby dnt b greedy
cover me, dnt hover me
no no dnt suffocate me
baby, no no dnt suffocate me
baby, no no dnt suffocate me
baby, no no dnt suffocate me
baby, no no dnt suffocate me

if u want tha best of me
u gotta stop pressing me
bak up an jus let me breathe
dnt wanna upset u babe
jus trynna communicate
u gotta let me breathe
(2x)

dnt wanna suffocate
baby baby let me breathe a minute
im giving u tha game, go win me
oh poor baby dnt suffocate
baby baby dnt b greedy
cover me, dnt hover me
no no dnt suffocate me
baby, no no dnt suffocate me
baby, no no dnt suffocate me
baby, no no dnt suffocate me
baby, no no dnt suffocate me
