

Underwater

Nikki Flores

If I could draw a line around myself
If I could be invisible no one could hurt me now
If I would never need nobody else
But its too late

You're everything I swore I'd never be
You're making me want something I was doing fine without
Like a wave you're crashing over me
And it's too late, it's too late

I'm over my head, and there's no way out
It's like I'm underwater trying not to drown
The harder I fight, the deeper I fall
What I was so afraid to risk it all
I wish that I could hear
But I can't remember how
But time can't save me now
I'm underwater

I need you now, your hand to pull me in
"I wish i didn't want you but i'm helpless to resist
I'm caught up in this struggle I can't win
And it's too late, it's too late

I'm over my head, and there's no way out
It's like I'm underwater trying not to drown
The harder I fight, the deeper I fall
What I was so afraid to risk it all
I wish that I could hear
But I can't remember how
But time can't save me now
I'm underwater

I'm over my head and there's no way out
It's like I'm underwater trying not to drown
The harder I fight, the deeper I fall
What I was so afraid to risk it all
I wish that I could hear
But I can't remember how
But time can't save me now..
I'm underwater
I'm underwater
Time can't save me now..
