

# Warrior

Nikki Flores

Your words fall out  
Like a rain from a cloud  
But they feel like stones  
They cut me open  
Every promise rips me apart  
Cause in the end  
You always break them  
Do you know what it feels like  
To feel so unwanted  
You keep thinking you deserve the pain  
When you're loving someone  
Who knows when your heart breaks  
And isn't going to change

I gotta be a warrior  
In my head, in my heart  
I gotta be a warrior  
Find the strength in these stars  
It's time to turn around  
It's time to think of me  
Gotta stand up and  
Fight for what I believe  
A warrior, a warrior

Everytime you clawed your way back in  
I crushed myself like I was worthless  
You used to crawling under my skin  
But now you don't even scratch the surface

Do you know what it feels like  
To feel so unwanted  
You keep thinking you're the one to blame  
When you're loving someone  
Who knows when your heart breaks  
Somethings gotta change

I gotta be a warrior  
In my head, in my heart  
I gotta be a warrior  
Find the strength in these stars  
It's time to turn around  
It's time to think of me  
Gotta stand up and  
Fight for what I believe  
A warrior, a warrior

And I know I'm strong enough to make it  
Nothing in the world could bring me down  
You can try your words  
But I won't shake I'll stand my ground

I gotta be a warrior  
In my head, in my heart  
I gotta be a warrior  
Find the strength in these stars  
It's time to turn around  
It's time to think of me

Gotta stand up and  
Fight for what I believe  
A warrior, a warrior

I gotta be a warrior  
In my head, in my heart  
I gotta be a warrior  
Find the strength in these stars  
It's time to turn around  
It's time to think of me  
Gotta stand up and  
Fight for what I believe  
A warrior, a warrior
