First Lady

Nikki Yanofsky

First lady, move me Tell me of your song It's sad but true Touched by the feeling memories I adore

I'm glad I have you My lady, very first lady Cherished songs you passed on to I feel compelled to thank you, dear love

You will remain forever I wish there was some way to thank you So I write this song dedicated to you

You will remain forever I wish there was some way to thank you So I write this song dedicated to you
