With a Little Help From My Friends

Nikki Yanofsky

What would you think if I sang out of tune? Would you stand up and walk out on me? Lend me your ears And I'll sing you a song And I'll try not to sing out of key

Oh, I get by with a little help from my friends I'm gonna try with a little help from my friends I get high with a little help from my friends

What do I do when my love is away? (Does it worry you to be alone?) How do I feel by the end of the day? (Are you sad because you're on your own?)

No no, I get by with a little help from my friends I'm gonna try with a little help from my friends I get high with a little help from my friends

Do you need anybody? I just need someone to love Do you need anybody? All I need is someone who can love me

I get by with my friends I'm gonna try with my friends

Would you believe in a love at first sight? Yes, I'm certain that it happens all the time What do you see when you turn out the light? I can't tell you but it's surely feels like mine

I get by with my friends I'm gonna try with my friends

Do you need anybody? Do you need anybody? All I need is someone who can love me

I get by with my friends I'm gonna try... Higher...
