Nina Simone

Like a flower waiting to bloom Like a light bulb in a dark room I am here waitin' for you to come on home And turn me on Like the desert waitin' for rain Like a school kid waitin' for spring I am sittin' here waitin' for you to come on back home And turn me on My poor heart, it's been so dark Since you've been gone After all you're the one that turned me off Now you're the only one that can turn me back on, uh My hi-fi's waitin' for a new tune And my glass is waitin' for some fresh ice cubes I'm just sittin' here waitin' for you to come home And turn me on
