

If You Knew / Let It Be Me

Nina Simone

If you knew how I missed you
You would not stay away today
Don't you know I need you
Stay here my dear with me

I need you here my darling
Together for a day a day
Together never parting
Just you just me my love

I can't go on without you
Your love is all I'm living for
I love all things about you
Your heart, your soul my love

I need you here beside me
Forever and a day a day
I know whatever betides me
I love you I love you I do
