

Mood Indigo

Nina Simone

You ain't never been blue, no, no, no
You ain't never been blue
Till you've had that mood indigo
That feeling goes stealing right down to my shoes
While I just sit here and sigh
Go along blues

I always get that mood indigo
Since my baby said goodbye
And in the evening when the lights are low
I'm so lonely I could cry
For there's nobody who cares about me
I'm just a poor fool that's bluer than blue can be
When I get that mood indigo
I could lay me down and die

You ain't been blue, no, no, no
You ain't never been blue
Till you've had that mood indigo
That feeling goes stealing right down to my shoes
While I just sit here and sigh
Go along blues
