Revolution, Pts. 1-2

Nina Simone

Oh we got a revolution I see ...

Helo, hold it...

... start again

And now we got a revolution Cause i see the face of things to come

Yeah, the Constitution Well, my friend, its gonna have to bend I'm here to tell you about destruction Of all the evil that will have to end.

Some folks are gonna get the notion I know they'll say I'm preachin hate But if i have to swim the ocean Well i would just to communicate Its not as simple as talkin jive The daily struggle just to stay alive

Singin about a revolution Because were talkin about a change Its more than just evolution Well you know, you got to clean your brain The only way that we can stand in fact Is when you get your foot off our back
