

Some Say

Nina Simone

Some say that I don't care
Some say it's never fair
Some say it makes it worth while
Others say it's a spark behind the smile
But I say
There is nothin' in the world like love
It's proven day by day
That it's what this world needs plenty of

Some say it's hard to understand
Some say it's in the master's plan
Some say it's a special kind of high now
Some say that love will make you cry
But I say

There is nothing in the world like love
It's proven day by day
That it's what this world needs plenty of

Some say it's hard to understand now
Some say it's in the master's plan
Some say it's a special kind of high now
Some say that love will make you cry
But I say
There is nothing in the world like love yeah yeah
I say now now now nothing in the world
Like love like love like love like love
