What More Can I Say

Nina Simone

I would do anything, anything you say If you would just be mine What more, what more can I say?

I would give anything, anything I own If you'd be my love What more, what more can I say?

Anything I've got to give, it's not a lot to give Baby if I'm giving it to you Anything is nice to give I don't have to think twice to give

That's how much I love you Daddy That's how much I love you I say that's how much I love you That's how much I love you

I would go anywhere, anywhere you go If you just say you wanted me too What more can I say?
