

## Where Can I Go Without You

Nina Simone

I went to London town to clear up my mind  
Then on to Paris for the fun I could find  
I found I couldn't leave my memories behind  
Where can I go without you

Tried seeing Singapore that wouldn't do  
So I went Vienna but I found you THERE too  
Even in Switzerland your memory came through  
Where can I go without you

So I wanted to travel and I wanted romance  
So I just took off and chased my rainbow across the sea  
But it's all over I'm tired of faces and QUAIN old places  
Baby if you won't be there with me

Back on the boat again farewell to France  
So long West Germany it hasn't got a chance  
I'll trade the sides I've seen for one loving glance  
Where can I go without you
