Wild Is The Wind

Nina Simone

Love me, love me, say you do Let me fly away with you For my love is like the wind And wild is the wind

Give me more than one caress
Satisfy this hungriness
Let the wind blow through your heart
For wild is the wind

You touch me
I hear the sound of mandolins
You kiss me
With your kiss my life begins
You're spring to me
All things to me

Don't you know you're life itself Like a leaf clings to a tree Oh my darling, cling to me For we're creatures of the wind And wild is the wind So wild is the wind

You touch me
I hear the sound of mandolins
You kiss me
With your kiss my life begins
Dady, you're spring to me
All things to me

Don't you know you're life itself Like a leaf clings to a tree Oh my darling, cling to me For we're creatures of the wind And wild is the wind So wild is the wind

Wild is the wind Wild is the wind Wild is the wind
