

# Time To Go

Nina Sky

Finally you saw me  
Found out I was seeing someone new  
Knew you wouldnt ask me  
Cuz you brought this to yourself

Think its time to go  
Since you played me thought that you should know  
(thought that you should know)  
All your lies wont take it anymore  
Packed your shit and left it at the door  
Oh baby think its time to go

I think about how you treated me  
Feeding me your lies you couldnt see  
Thought that I would stay true  
Instead I left with someone else

Think its time to go  
Since you played me thought that you should know  
All your lies Wont take it anymore  
(I wont take your lies no more no more no more)  
Packed your shit and left it at the door  
(I left them at the front door)  
Oh baby think its time to go

Dont go pointing fingers at me  
Cuz I always knew you'd cheat  
So I had to make you see  
Was it all worth losing me  
And its better off this way  
And thats all that I can say  
Thought that you could play that game  
And this has put your ass to shame

Ohh you aint wanna know but I'm gunna say it  
You knew from the door I was nothin to play with  
You had my love and you betrayed it so I take it back  
Far as anotha brotha karma's a mothafucka  
Was I wit him yea you was neva even there  
Talkin bout I hurt ya how bout I dont even care  
Plans we had they through man they dead to me  
I got new man he treat me like a Kennedy  
Yea hes somethin as a team we heavy  
We at customs sluggish lookin like akeem and semmi  
Talkin bout you missin Ang Im disgusted  
Talkin bout how you could kiss my ass man  
You violated all my general laws  
And I cant take it gotta get a divorce  
He did the right thing while you was gettin a broads  
And his pipe game is betta than yours

Ready or not you can go you denied  
All the lies you told me baby  
Ready or not here I go I cant hide  
All the ways you hurt me baby

Think its time to go

Since you played me thought that you should know  
All your lies Wont take it anymore  
Packed your shit and left it at the door  
Oh baby think its time to go
