Finally you saw me
Found out I was seeing someone new
Knew you wouldnt ask me
Cuz you brought this to yourself

Think its time to go
Since you played me thought that you should know
(thought that you should know)
All your lies wont take it anymore
Packed your shit and left it at the door
Oh baby think its time to go

I think about how you treated me Feeding me your lies you couldnt see Thought that I would stay true Instead I left with someone else

Think its time to go
Since you played me thought that you should know
All your lies Wont take it anymore
(I wont take your lies no more no more no more)
Packed your shit and left it at the door
(I left them at the front door)
Oh baby think its time to go

Dont go pointing fingers at me
Cuz I always knew you'd cheat
So I had to make you see
Was it all worth losing me
And its better off this way
And thats all that I can say
Thought that you could play that game
And this has put your ass to shame

Ohh you aint wanna know but I'm gunna say it You knew from the door I was nothin to play with You had my love and you betrayed it so I take it back Far as anotha brotha karma's a mothafucka Was I wit him yea you was neva even there Talkin bout I hurt ya how bout I dont even care Plans we had they through man they dead to me I got new man he treat me like a Kennedy Yea hes somethin as a team we heavy We at customs sluggish lookin like akeem and semmi Talkin bout you missin Ang Im disgusted Talkin bout how you could kiss my ass man You violated all my general laws And I cant take it gotta get a divorse He did the right thing while you was gettin a broads And his pipe game is betta than yours

Ready or not you can go you denied All the lies you told me baby Ready or not here I go I cant hide All the ways you hurt me baby

Think its time to go

Since you played me thought that you should know All your lies Wont take it anymore
Packed your shit and left it at the door
Oh baby think its time to go
