```
God break down the door
God break down the door
You won't find the answers here
Not the ones you came looking for
```

God break down the door Everything all at once There aren't any answers here No, no, not anymore

God break down the door God break down the door You won't find the answers here Not the ones you came looking for

God break the door Everything all at once There aren't any answers here No, no, no, no

```
Remove the pain and push it back in
Remove the pain and push it back in (pull it out, push it back)
Remove the pain and push it back in (pull it out, push it back)
Remove the pain and push it back in (pull it out, push it back)
Remove the pain and push it back in (pull it out, push it back)
Remove the pain and push it back in (pull it out, push it back)
Remove the pain and push it back in (pull it out, push it back)
Remove the pain and push it back in (pull it out, push it back)
```
