## Ninja Sex Party

What's up baby? You're a very sexy lady  
What's a good girl like you doing in a 'hood like this?  
Your life's in danger every enemy's a stranger  
But good for you I rule this town with my iron fists

Check my sunglasses for proof that I kick some asses  
No more classes, you've been schooled and now you know the deal  
Everyone here has a black belt in "Amazing"  
And diplomas from The University of Fucking Keepin' it Real

Hey! Hey! That's how we're living  
Welcome to Attitude City  
Hey! Hey! No fucks are given  
When you're in Attitude City

Hey! Hey! You made the right decision  
If your goal was to learn how to rock  
Now sit back as I walk you though  
My life as the baddest fuckin' dude on the block

Every morning I wake up before the dawn and  
Run a half a mile in forty seven minutes flat (Unh!)  
Then shit gets crazy, I water my grandma's daisies  
And sit down with her for biscuits and have a nice chat (Fuck yeah!)

Then I maintain this insane body with weight training  
Can't contain me! Put five pounds up on that barbell rack! (Do it!)  
Just ask my mother, I am one tough fuckin' fucker  
And if I have scary dreams I can just go to sleep between her and dad

Hey! Hey! No one can faze me!  
When I'm in Attitude City  
Hey! Hey! This shit gets crazy  
Daily in Attitude City

Hey! Hey! My rock is fuckin' tasty...but here come some tough  
Guys from the town, trying to steal my crown  
I'll take on your whole bitchass gang, now let's throw the fuck down!

Ninja Brian, would you lay down a sick flute solo for me?  
Thank you.

Oh what a lovely spring day  
For you to visit our city  
Here are some tasty gumdrops  
And rainbow colored lollipops (lollipops)

Do come again with your thugs  
But only if you like bro hugs  
Here's my wallet  
Have a nice  
DAAAAAYYYYYYYY!!!!!!

HEY! THAT'S RIGHT! We are the masters  
Of fuckin' Attitude City!  
HEY! WE'RE MUCH  
Harder and faster

Than you in Attitude City
