

Buttsex Goldilocks

Ninja Sex Party

Uhhh
Oh yeah, that's right
C'mon girl

This buttsex is too cold
This buttsex is too hot
This buttsex is just right
Buttsex Goldilocks

Hey guys, sorry to interrupt
I just wanted to know how
The song was going for the
Hospital performance for sick children

It's almost done, doctor
You can't rush genius
Please leave

Okay, okay, sorry

Let me put my spoon into your
Porridge chamber
Buttsex Goldilocks!

Wait, Ninja Brian
I just realized something
it might be a serious problem

This song is too amazing
High five!
