Road Trip

Ninja Sex Party

I met a girl a few weeks ago She's so smart and beautiful When she's around I feel my heart beat Down in the very depths of my soul

So c-c-c-c'mon Ninja Brian pack your bags We're going on a cross-country trip 'Cause if this girl and I go on one more date We'll start a meaningful relationship Fuck that! Whoo!

Let's hit the road I was so close to personal growth So California here I come

I wanna bone across the nation Let's bust a load of summer fun!

I porked most of New York
I banged 'em silly in Philly
I had 'em screaming for Balti-more

I slapped my groin on Des Moines And dropped my phallus in Dallas We're only halfway through Day Four

I g-g-g-gave some C to DC Bust coconuts on Miami I shot puree on Santa Fe

I gave some penix to Phoenix And my nuts rattled Seattle So hard they felt it in LA Take that! Yeah!

Now here we are
In California
These girls are hot
And Brian bought us a new yacht
(He killed the previous owner)

Let's raise the sail For a gonadventure This boner quest has just begun!

I left 'em smitten in Britain
And had sex so hard with Lima it landed in Argentina
Then things got beejy in Fiji
I had a four-way in Norway and started breedin' with Sweden
New Zealand got a blast of my semen
I did some butt stuff with Russians
Until they got a concussion

I Banged-ladesh!
Now there's only one way to keep things fresh, 'cause...

I've conquered Earth

It is time to move on! Let's take a rocket Find some hot alien sluts (Set phasers to thrust)

No time for spacesuits
I am way too horny!
Let's show this galaxy what's haukkk
