And I'm working on my temper put some jewels on my wrist  
Cause I'd rather be that nigga on a cruise with my bitch  
Boat dock, only food is a fish  
On the coast to Greece nigga where the views is the shit  
Follow me home come and view the abyss  
Take a walk with me take your tool just to take a piss  
It ain't safe tell a nigga get a grip  
Hard headed niggas gotta take a bag to take a shit  
Where if you let a nigga mark you out

Lion heart in my brim  
And nigga it get dark in the den  
Question is homie with the sharks can you swim?  
Smell fakes, smell pussy, smell fear  
Killer instinct we can tell what's pretend

Ain't a damn thing funny  
You can see this cash all on me  
I'll be on it till I'm dead and gone, dead and gone  
After that then I'm heading home, heading home
