

# House On The Hill

Nits

I saw the house on the hill  
It burned like a tree  
In an endless night  
Tell me river when the fire ends  
Tell me fire where the river bends  
I had a vision of my house  
It turned into a flame  
On the riverside  
Tell me fire where the river bends  
Tell me river when the fire ends  
Tears are falling down  
Like a river through a town  
Where I saw the house on the hill  
Something in my mind's eye said  
I was afraid  
Something in the late sky said  
I was returning  
Back into the river  
Where I once had sailed  
Back into the fire  
Where I was not burning  
I saw the house on the hill  
It bloomed like a flower  
In the summer rain  
Tell me fire where the river bends  
Tell me river when the fire ends
