

## Burnin'

## No Connection

Hey yeah  
Can you feel it burnin'  
Or is it me only  
Hey yeah  
Can you feel it burnin'  
Am I going crazy

Burnin' like  
The Devil banging on my door  
Burnin' like  
A sex junkie begging for more  
Burnin' like  
A twenty seven year old lie  
Burnin' like  
The second before I die

Burnin' like a  
Burnin' like a  
Burnin' like a

Hey yeah  
Can you feel it burnin'  
Can't my body be trusted  
Hey yeah  
Can you feel it burnin'  
Is the Air Con busted

Burnin' like  
The pain in all of my life  
Burnin' like  
Cheated switchblade knife  
Burnin' like  
The dragon hanging on my back  
Burnin' like  
A heroin heart attack

Burnin' like a  
Burnin' like a  
Burnin' like a

Hey yeah  
Can you feel it burnin'  
You know I swear that I can  
Hey yeah  
Can you feel it burnin'  
How much more can I stand

Burnin' like  
A guilty man every night  
Burnin' like  
A dirty backstreet fight  
Burnin' like  
A psycho left down the hole  
Burnin' like  
A fat TV preachers soul

Burnin' like a

Burnin' like a  
Burnin' like a  
Burnin' like a  
Burnin' like a  
Burnin' like a
