Snakes

Open the basket Listen to the flute play Open the basket Listen to the flute play Toot toot toot play Snakes in the basket Lie to lead you astray Snakes in the basket Force to make you betray Your innermost truth hidden away

Now you're falling down to the underground Slither down to your lair Hidden in the many trenches of a hopeless war Those who were sold out by a corporate board

Carry the casket Never mind the gun spray Bury the casket Pawns in someone's gameplay Shoot shoot shoot obey

Now you're falling down to the underground Slither down to your lair Hidden in the many trenches of a hopeless war Those who were sold out by a corporate board

Listen to the flute play Listen to the flute play Listen to the flute play

Subscription to the spreading of lies Soldier catches a glimpse of his demise deep down inside Even he knows snakes come in many shapes and sizes Many shapes and sizes Snakes have no hands to be tied

Concoction of malicious lies Deep inside the general despises himself Listen to the flute play Another reptile in line Snakes without grass cannot hide

Now you're falling down to the underground Slither down to your lair Hidden in the many trenches of a hopeless war Those who were sold out by a corporate board Now you're falling down to the underground Slither down to your lair Forked tongues spread the poison with another toxic sting So much pain their serpentine inhibitions bring

Oh - listen to the flute play No Doubt
