

I Know What I Want Now

No Secrets

I see how you look at me
Thinkin' that your being discrete
I hear the way you say my name
(Say my name)
And something in
Your voice will change
Then i see you get a little red
When i laugh
At something you said
You don't even have a clue
But baby I
Am onto you

Don't be afraid
I'm gonna say yes
If you're gonna ask me out
Why haven't you yet?
All i wanna do is hear it now
From you

(Uh, Uh)
(Uh, Uh)

Do i gotta
Gotta get in your face
I don't have alot
A lot of time to waste
Do you wanna
Wanna be my man?
Cuz i know what
I know what i want from you
Do you wanna
Wanna be my guy
Baby please don't be shy
I'm comin' on strong
Cuz i'm thinkin' you're the one
And i know what i want now
From you

I think it's kinda cute
That it matters so much to you
Then u don't wanna let me know
(Let me know)
The way you feel
Or let it show
But baby let me be the one
To take you by the hand
Come on (come on)
I'll tell you what i feel inside
But then it's time
For you to try

Don't be afraid
I'm gonna say yes
If you're gonna ask me out
Why haven't you yet?
All i wanna do is hear it now

From you

(Uh, Uh)

(Uh, Uh)

Do i gotta
Gotta get in your face
I don't have alot
Alot of time to waste
Do you wanna
Wanna be my man?
Cuz i know what
I know what i want from you
Do you wanna
Wanna be my guy
Baby please don't be shy
I'm comin' on strong
Cuz i'm thinkin' you're the one
And i know what i want now
From you

(From you)

(Know what i want now)

Every single day
(ooooh)
All i do is pray
(ooooh)
For you
To understand
What i gotta do
What i gotta prove
There's nothing left to lose
Baby tell the truth

Do i gotta
Gotta get in your face
I don't have alot
Alot of time to waste
Do you wanna
Wanna be my man?
Cuz i know what
I know what i want from you
Do you wanna
Wanna be my guy
Baby please don't be shy
I'm comin' on strong
Cuz i'm thinkin' you're the one
And i know what i want now
From you

Do i gotta
