Whole Again

No Secrets

If you see me walking down the street Staring at the sky
Dragging my two feet
You just pass me by
It still makes my cry
You can make me whole again

If you see with another man I'm laughing and I'm joking Doing what I can
I won't put you down
Cause I want you around
You can make me whole again

Looking back on when we first met
I cannot escape and I cannot forget
Baby, you're the one, you still turn me on
You can make me whole again

Time is laying heavy on my heart Seems I got too much of it Since we've been apart My friends make me smile If only for a while You can make my whole again

Looking back on when we first met
I cannot escape and I cannot forget
Baby, you're the one, you still turn me on
You can make me whole again

But now, I have to wait
But if you change your mind
Don't be too late
Cause I just can't go on
It's already been too long
But you can make me whole again

Looking back on when we first met I cannot escape and I cannot forget Baby, you're the one, you still turn me on You can make me whole again Ohhh....

Looking back on when we first met
I cannot escape and I cannot forget
Baby, you're the one, you still turn me on
You can make me whole again

Baby, you're the one, you still turn me on You can make me whole again
