

The Beauty Of That

NOA

When I look into your eyes, I don't know what to say
It's been so very long we've been waiting for this day
When you give me that smile, I don't know what to give you back
So I say oh, look at that
Look at the beauty of that

When I look into your eyes, I see your universe
And how much better your life could be, and how much worse
I see all that you've done to try and keep your hope intact
And I say oh, look at that
Look at the beauty of that

Oh, look at that
Look at the beauty of that

Oh, I guess I was blind
Until I realized
The sun only shines
When it shines in your eyes...

I say, oh, look at that
Look at the beauty of that

Oh, look at that
Look at the beauty of that
