

# I Have Nothing

Noah and the Whale

Well, I have nothing  
I have no one  
I've been so quickly set free  
and I love nothing  
I love no one  
Are words that you whisper in my mind, to someone  
I don't know  
to someone I don't know  
to someone

So walk with me  
on this new spring morning  
I'll walk you 'till your fears are none  
I'm a new baby weeping  
I'm the flower you're keeping  
that without love will wilt and die

I need your life in my life  
need your life in my life  
need your life

so come back to me  
my darling  
come back to me  
my darling

I'd do anything to be at your side  
I'd be anyone to be at your side  
I need your life in my life  
need your light in my life  
need your light
