

You Belong to Somebody Else

Noah Cyrus

The way you look when you cry make me wanna confess to you
The way you wear that dress like it couldn't mean less to you
And there's no reason keeping secrets, maybe regret is a weakness

But all the jealous God's can burn me down and start again

Cause you belong to somebody else
And I didn't want to but I couldn't help it
And I know it's wrong to call this sweet hell upon myself
You belong to somebody else
(Somebody else)

Don't wanna come home late and make a mistake for you
It's easier to let a heart wait than make a heart break for you
I give you pieces of my secrets like religion to believe in

And all the jealous God's can burn me down and start again

Cause you belong to somebody else
And I didn't want to but I couldn't help it
And I know it's wrong to call this sweet hell upon myself
You belong to somebody else
(Somebody else)

And I know it's wrong to call this sweet hell upon myself
You belong to somebody else
Somebody else
Yeah, yeah
Somebody else
Oh oh oh, yeah yeah
Somebody else
Oh oh oh, yeah yeah (Make a heart break for you)
Somebody else
Oh, yeah yeah
