

# Caroline

Noah Gundersen

Caroline my baby  
Caroline my sweet  
If I married Caroline  
So happy I would be

I wouldn't need no whiskey  
I wouldn't need no wine  
Wouldn't need much of anything  
If Caroline was mine

Her daddy is a preacher  
And may he rot in hell  
I'd sell my soul to satan for  
A bucket from your well

I know that he don't like me  
I know he'll disapprove  
But I'm gonna marry Caroline  
If it's the last thing that I do

If I was a painter  
I'd put you down in paint  
I'd hang you by the mona lisa  
And put that girl to shame

Or if I was a sailor  
And I sailed the seven seas  
I'd row across the ocean  
Just to bring you home with me

Oh Caroline my baby  
Oh Caroline my sweet  
You make a man go crazy  
Why won't you come to me

'cause I've been feeling lonesome  
And feeling kinda blue  
I think I'd rather die  
Than to be away from you

But she said boy  
You know you've caught my eye  
And I know you're sweeter than  
Apple pie  
But I like my man completely wild  
So baby keep on trying

Caroline my baby  
Caroline my sweet  
I'm gonna marry Caroline
