

# Absolutely Maybe

## Nobody's Angel

(Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah- yeah, yeah)  
Well... Ya' know, I've been thinking

How deep is my love?  
(How deep is my love?)  
How strong my devotion?  
How true does my heart beat for you?  
(My heart beat for you)  
These are your questions  
Why are you always asking if I'm in deep enough?  
Do I give you any reason to be doubting my love?  
We're alright (we're alright)  
We're okay (we're okay)  
Just ask me baby  
(Just ask me)  
And you know what I'll say

Absolutely, Maybe... I am yours eternally  
Yes I'm sure I really think so, although I deserve a week  
Sometimes I'm certain baby, so set your mind at ease  
Absolutely Maybe, you're exactly what I need

(I need, I need, I need)  
And you know what I mean  
(I need)

And I just wanna hold you  
(I just wanna hold you)  
Under the stars  
My arms are wide open, baby  
(Come to me)  
And so is my heart  
You say I'm always walking with my head in the clouds  
I swear I don't know what you're talking about  
We're alright (we're alright)  
We're okay  
Just ask me baby  
(Just ask me)  
And you know what I'll say

Absolutely, Maybe... I am yours eternally  
Yes I'm sure I really think so, although I deserve a week  
Sometimes I'm certain baby, so set your mind at ease  
Absolutely Maybe, you're exactly what I need

(Yeah, yeah, yeah, yeah, yeah... yeah, yeah, yeah, yeah)  
And I know what I need  
(Yeah, yeah, yeah, yeah, yeah... yeah, yeah, yeah, yeah)

I need the soul, inside of  
To kiss someone, who knows what lovin' is  
Who brings my life true happiness  
Then I can promise you  
(I can promise you)  
I can promise you this  
Baby, Absolutely Maybe

You could be my baby  
Absolutely Maybe  
(Hah, what do you think?)  
You could be my baby

Absolutely, Maybe... I am yours eternally  
Yes I'm sure I really think so, although I deserve a week  
Sometimes I'm certain baby, so set your mind at ease  
Absolutely Maybe, you're exactly what I need

Absolutely, Maybe... I am yours eternally  
Yes I'm sure I really think so, although I deserve a week  
Sometimes I'm certain baby, so set your mind at ease  
Absolutely Maybe, you're exactly what I need

Absolutely, Maybe... I am yours eternally  
Yes I'm sure I really think so, although I deserve a week  
Sometimes I'm certain baby, so set your mind at ease  
Absolutely Maybe, you're exactly what I need
