## Nobody's Angel

I told my girls  
Today's the day  
Gonna get it get it  
Going going swing your way  
Gonna hold my breath and dive right in  
Come on  
Let the fun begin  
I told my friends  
I'm gonna do  
All the things that I've been wishing  
And wanting to  
Ain't nothing gonna to stop me now  
Gonna get to you somehow

Wanna take you down  
Wanna rock you around  
Wanna give you all my lovin  
Wanna get with you  
Make your dreams come true  
You got me going.

Boom boom  
I feel the room shake  
Everytime you look at me  
It's like a little earthquake  
Ooh baby, honey please  
You don't know what you do to me  
Ooh boy just look at me now  
You got me goin goin  
Like a merry-go-round  
Ooh baby, honey please  
You don't know what you do to me

Boom boom

My friends say  
I've been too shy  
That I'll never get to heaven  
If I never try  
So what's the T  
Will you and me  
Be movin and funkin in time  
That sexy smile  
And lips so sweet  
You know you knock knock knockin me off my feet  
I could be your girl  
Show you round the world  
Show you what you mean to me

Wanna get you up  
Do it soft or tough  
Wanna give you all kissin  
When you're gonna see  
Baby look at me  
Here's what you're missin....

Boom boom

I feel the room shake  
Everytime you look at me  
It's like a little earthquake  
Ooh baby, honey please  
You don't know what you do to me  
Ooh boy just look at me now  
You got me goin goin  
Like a merry-go-round  
Ooh baby, honey please  
You don't know what you do to me

Boom boom  
Can you feel my heart beat  
Beat the beat  
Cross the room

Boom boom

Beat the beat  
Cross the room
