

# Possess the Priest

## Nocturnus

Welcome to my lair...  
Your flesh has been chosen...

Awaken, conjured  
Erect the unholy force  
Subliminal tamperings  
Held within the Christian masses  
Distorted serenity  
Teacher of the word loses faith  
Prayers twisted  
Unleashing the sadistic power  
Congregation misled  
Unspeakable torture lies ahead  
Diabolical intent  
Lures all to the Blackened Realm

Malevolent rituals  
[Offer nothing to the entombed]  
[?Master of? Christians]  
[But I don't need no church]

Consume thy holy Priesthood  
Carnivorous appetite  
Vestal virgin sodomized  
The only means to satisfy  
Clan of the cloth  
Sentenced to die  
Eternal taunting victimized

I shall not rest until all have died  
Man of the cloth possessed to find  
Nocturnal feast before the grave  
Christian flesh is what I crave  
Regurgitation of this mutilation  
Devouring their ignorant prayers  
Tormented souls echo in laughter  
Before the savior nailed to the cross

Infested larvae  
Developing to form  
Awaiting consumption  
Possess the Priest  
Maggots roam  
Throughout the decayed corpse's  
Intestinal offerings exhumed  
Possess the Priest

Consume thy holy Priesthood  
Carnivorous appetite  
Vestal virgin sodomized  
The only means to satisfy  
Clan of the cloth  
Sentenced to die  
Eternal taunting victimized

I shall not rest until all have died  
Man of the cloth possessed to find

Nocturnal feast before the grave  
Christian flesh is what I crave  
Regurgitation of this mutilation  
Devouring their ignorant prayers  
Tormented souls echo in laughter  
Before the savior nailed to the cross

Sacrilegious summons  
Corrosive incision  
Possess the Priest  
Dismembered eulogy  
Artistic butchery  
Possess the Priest

Partake of the blood  
For eternal life  
Possess the Priest  
Souls of the bewildered  
Remain in my control  
Possess the Priest

Never will any exorcism  
Rid me of this flesh!!
