

## Party Enema

NOFX

Hangin' out in long beach.  
A lil' party in the sun, but ya just can't sit there smoking  
And drinking anymore.  
You got a new jive.  
All your friends are getting weird.  
Ahhh!  
It goes, "you ain't a shakin till the shit shot.  
Shoot it up.  
No one jammin' til the gin juice jigger jets.  
They say it ain't a party til the party enema, the party enema.

You get a funnel tube, pour in a 40 oz.  
Pull down your clothes, touch your toes.  
Get a hose, hold your nose.  
Its a party hat.  
Forget the beer bong.  
Forget the nitrous shots.  
It goes "you ain't a shakin till the shit shot.  
Shoot it up.  
No one jammin' til the gin juice jigger jets.  
They say it ain't a party til the party enema, the party enema.

The party enema, the party enema.  
The party enema, the party enema.
