Perfect Government

Even if it's easy to be free What's your definition of freedom? And who the fuck are you, anyway? Who the fuck are they? Who the fuck am I to say? What the fuck is really going on?

How did the cat get so fat? Why does the family die? Do you care why?

Cause there hasn't been a sign Of anything gettin' better in the ghetto People's fed up Getting fed up

You point your fuckin' finger You racist, you bigot But that's not the problem Now is it?

It's all about the money Political power is taken Protecting the rich, denying the poor Yeah, they love to watch the world from the White House And I wonder...

How can they sleep at night? How can they sleep at night? How did the cat get so fat? How did the cat get so fat? How did the cat get so fat? How did the cat get so fat?
