I play pool, Cause I'm no fool. I play pool, Cause I'm cool. I play pool after school, I play pool all the time. Cue in my left hand, beer in right. I shoot and drink all through the night. That sloppy english does me just right. I use that sloppy english, All the time. I hold my stick, Like I hold my dick. Hustling beers from wetto, That's the trick. I use that sloppy english,

NOFX

All the time.
