

# The Idiots Are Taking Over

NOFX

It's not the right time to be sober  
Now the idiots have taken over  
Spreading like a social cancer, is there an answer?

Mensa membership conceding  
Tell me why and how are all the stupid people breeding  
Watson, it's really elementary  
The industrial revolution  
Has flipped the bitch on evolution  
The benevolent and wise are being thwarted, ostracized, what a  
bummer  
The world keeps getting dumber  
Insensitivity is standard and faith is being fancied over reason

Darwin's rolling over in his coffin  
The fittest are surviving much less often  
Now everything seems to be reversing, and it's worsening  
Someone flopped a steamer in the gene pool  
Now angry mob mentality's no longer the exception, it's the rule  
And I'm starting to feel a lot like Charlton Heston  
Stranded on a primate planet  
Apes and orangutans that ran it to the ground  
With generals and the armies that obeyed them  
Followers following fables  
Philosophies that enable them to rule without regard

There's no point for democracy when ignorance is celebrated  
Political scientists get the same one vote as some Arkansas inbred  
Majority rule, don't work in mental institutions  
Sometimes the smallest softest voice carries the grand biggest  
solutions

What are we left with?  
A nation of god-fearing pregnant nationalists  
Who feel it's their duty to populate the homeland  
Pass on traditions  
How to get ahead religions  
And prosperity via simpleton culture

The idiots are taking over (8x)
